

Spanish IV Pre-AP (Full year) Course Description

*Prerequisites: Spanish I, II, and III Pre-AP or
instructor approval upon completion of placement test.*

This course serves as a prerequisite for the Advanced Placement Spanish class. The main components of the course are communicative, complex grammar, vocabulary expansion, reading comprehension, listening activities and continued Hispanic cultural studies. Emphasis is also placed on current events and some literature. In order to prepare students for the next level, use of broadcast media and online resources from Spanish speaking countries are used as students acquire the necessary skills. Technology will be used to further enhance language learning. This course is designed for students who plan to take the AP Test on Spanish V. Field trips to Hispanic Community Places may be offered subject to School administration approval.
